

On July 1st 2017 Sparks Lab Supplies Ltd will celebrate it's 21st birthday !

Sparks Lab Supplies Ltd. was launched on 1st July 1996 from the Enterprise Centre on the Old Main Road in Tallaght, Dublin 24 by Maurice Downing and Eileen Sparks.□

Our vision was to give laboratory people in Ireland access to top quality laboratory supplies at competitive prices and to provide the best possible level of customer service and after sales support.

Twenty one years later, this is still our focus.□

We have grown substantially over the past 21 years. □ In 2003 moved from Tallaght and relocated the business to Greenogue Business Park in Rathcoole, which is adjacent to the N7 and M50 and M4 motorway network. This allowed us give next day delivery to every county in Ireland.

*Last month we moved into our new ultra modern offices and distribution facility□ Greenogue Business Park,
adjacent to our old premises.*

□

*This has allowed us to increase our stock handling capabilities by some five fold which will help us speed up our deliveries even further.
Our new address is Unit 4, Block K, Grants Road, Greenogue Business Park, Rathcoole, Dublin 24.*

We would like to say a huge thank-you to our many customers, our great suppliers and our hard working team here at Sparks who have combined to make Sparks the great company it is today.

We could not have done it without you all.

We look forward to many more years working with you all...
